THE BEST ADVERTISING MEDIUM IS THE CITY DIRECTORY

Because—It is Used the Most to Find Just Such Information You Most Wish
to Have the Public Know.

First—What line of goods you handle. Second—Where you are located. Pick up a City Directory anywhere, and almost invariably you can tell who the progressive, up-to-date merchants and professional men are. There are many brands of clothing, shoes, dry goods, groceries, etc., and some prefer one kind, some another. What better place to state your special brands than the CITY DIRECTORY?

Do Your Eyes Ache?

Do your glasses cause discomfort? Perfect fitting glasses never cause discomfort—they make the vision normal. Uncomfortable glasses don't fit. They are the wrong glasses, and wrong glasses are worse than no glasses. If your glasses are not perfectly comfortable, don't wait a minute—come to us and we'll give you the right ones.

THE BEST ADVERTISING MEDIUM IS THE CITY DIRECTORY

Because—It is Used the Most to Find Just Such Information You Most Wish
 to Have the Public Know.

First—What line of goods you handle. Second—Where you are lo-
 cated. Pick up a City Directory anywhere, and almost invariably you can
 tell who the progressive, up-to-date merchants and professional men are.
 There are many brands of clothing, shoes, dry goods, groceries, etc., and
 some prefer one kind, some another. What better place to state your
 special brands than the CITY DIRECTORY?

Tarry-While Station

Tabard Inn Library

Do you like to read the new books of Fiction? By joining the TABARD INN LIBRARY you can get the book you want when you want it long before it is obtainable elsewhere. Buy the first book and the ownership of one book makes you a member. None of the books are soiled or damaged, as every one is cased and they circulate among a class of people who take care of a book.

This book and case is the only identification required to use the service throughout the world. There are thousands of stations all over the United States, Canada and Great Britain. Once you own a book it is your own property, but you can exchange it for another as often as you like for five cents no matter how long it has been out. No fines or dues; no rules or red tape. Come in and let us explain it fully.

RUTLAND

"The Best City in the State"

And the many advantages that help to make it so

Situated in a broad valley running parallel with the state boundary line of New York, it is exceedingly well and beautifully placed and lacks nothing to be desired for lay of land and location.

Is the commercial and manufacturing metropolis of a large and prosperous territory. A good city for business and residence.

Excellent schools, clean, well-paved streets, up-to-date stores, unusually good banking facilities, first-class trolley service with the surrounding towns, and more building.

Abundant railroad facilities are furnished by the Delaware & Hudson Co., with two routes into New York State; the Rutland Railroad (N. Y. Central, lessee) has direct lines to New York City and Canada and connections to Boston. The cross-state railroad from Montpelier is now being surveyed.

The lake and mountain scenery within 20 miles of the city is not excelled for beauty anywhere in the East. Mt. Killington, 4,397 feet, the highest peak in the State, is only 12 miles distant, and is plainly visible.

THE BEST ADVERTISING MEDIUM IS THE CITY DIRECTORY

Because—It is Used the Most to Find Just Such Information You Most Wish
to Have the Public Know.

First—What line of goods you handle. Second—Where you are located. Pick a City Directory anywhere, and almost invariably you can tell who the progressive, up-to-date merchants and professional men are. There are many brands of clothing, shoes, dry goods, groceries, etc., and some prefer one kind, some another. What better place to state your special brands than the CITY DIRECTORY?
